FBIS-4417-88

MEMORANDUM FOR: Director, Foreign Broadcast Information Service

FROM : Chief, FBIS London Bureau

THROUGH : Chief, Operations Group

SUBJECT : Monthly Report -- London Bureau -- May 1988

I. GENERAL

1. Director/FBIS congratulated the bureau on being awarded a Meritorious Unit Citation for "voluminous and timely reporting" of Soviet affairs. An appropriate ceremony will be held upon actual receipt of the award.
2. Results of the FSN full-scale salary and fringe benefits survey conducted by the Department of State are expected to be announced in late June. The survey team has recommended that any increases arising from the survey be retroactive to 8 May. Full impact of the survey on the bureau budget will not be known until the percentage increases are announced.
3. GMMS has announced that, effective 13 June, the morning management meeting will revert to its original expanded attendance, including the BBC Parts and monitoring organizers, instead of the current format limiting each component to two representatives. The expanded meeting will convene in the BBC Conference Room in the new annex. The bureau will expand its representation to three.

II. OPERATIONS

A. Editorial/Monitorial

1. BBC expanded feeds of Polish regional radios from its overseas monitor and scheduled extended Polish shifts, including an overnight watch on 6 May, to cover industrial unrest throughout Poland. The extended shifts were terminated 12 May upon the collapse of the strike at the Lenin Shipyards in Gdansk, but bureau editors continued to receive APA printouts overnight for possible high-priority PAP items.
2. The bureau editorial staff was congratulated by acting chief/ Operations for its timely processing of reportage on the 20-22 May MSZMP Conference. In addition to extensive textual processing, the bureau was able to provide Headquarters with Internet feeds of Hungarian TV conference coverage supplied by Vienna Bureau. Bureau editors had little time to recover from the onslaught of Hungarian Conference material when a CPSU Central Committee Plenum

convened on the 23d to discuss the theses for the upcoming 19th All-Union Party Conference; and the Supreme Soviet began a session on the 24th. The LCY Conference which opened on 28 May and the Moscow Summit also contributed to high-volume production, with both PMU and editorial recording the highest daily average output for May in the history of the bureau. ✓

3. PMU media specialists [ ] provided the BBC Newsroom with two exclusive Pressfax stories during the month. The first was [ ] efficient handling of the PRAVDA announcement of the opening of the Sumgait trial; the second, [ ] late evening processing from the 25 May KRASNAYA ZVEZDA of Soviet Defense Minister Yazov's address to the Group of Soviet Forces in Germany.

STAT

STAT

#### B. Coverage

1. BBC has issued a schedule for the 11M Crowsley dishes when they come on line "in the near future." Initially only one dish will be operational, with the second dish dedicated to engineering training. Full use of the dishes will not be possible until March 1989, when the Listening Room will have moved to the new annex. The new dish will be used primarily for monitoring STV Orbita-4 and Mayak radio from the 53E Gorizont plus trial coverage of the main Saudi and Algerian TV newscasts as well as Libyan radio and TV. Decisions on Moroccan and Portuguese TV coverage will be made following the necessary surveys.
2. PMU completed its 30-day trial coverage of Tehran newspapers shipped from Nicosia, concluding that the relatively low productivity, 6-to-10 lag in receipt time, and limited monitorial resources preclude coverage by PMU.

#### C. Lateral Services

1. PMU received a letter from Keith Severin, Foreign Agriculture Service, Department of Agriculture, who had visited the bureau last summer. Mr. Severin's letter praises PMU processing of Soviet agricultural reports, noting that it greatly assists him in his work and has "helped put out fires started by incorrect news service reports from Moscow."
2. BBCMS General Manager Eric Bowman thanked FBIS for the quick response by the Headquarters TV Center in locating and providing an Internet feed of an 8 April speech in Tashkent by CPSU General Secretary Gorbachev for an important Monitoring Service consumer.

#### D. Communications

1. Internet: Regular Internet feeds were expanded effective 6 May with the addition of four West Europe newscasts monitored with a small BBC Ku-band antenna placed at FBIS'

disposal. In another positive Internet development, the work of the Internet and Pressfax operators was eased considerably when Headquarters advised on 19 May that it could receive simultaneous Pressfax and TV feeds, thus eliminating the need for complex coordination when regular TV feeds coincided with Pressfax transmissions.

2. The bureau began using the new FBIS message format on 3 May. Unfortunately implementation of the new format coincided with lengthy commo outages in Nicosia and Vienna and high wordage levels. By 6 May a large punching backlog had built up but the operators quickly adapted to the new procedures and operations were back to normal by 8 May.
3. A computer training station simulating the planned London Commo Upgrade has been set up in the Autodin Room in preparation for the July installation of Victor PC's in the Comcenter. By month's end, all supervisors and two operators had completed training with the remainder scheduled for training between now and mid-July.

#### E. Technical

1. After extensive coordination with ADD, plans for the London Commo Upgrade are well underway with Victor PC's and IBM keyboards identified to replace the ageing Extels. Some questions still remain on the line-sharing device. Bureau engineer [ ] has completed initial work on space and cable planning and furniture has been ordered to accommodate the new equipment. [ ] will be travelling to Plainfield the week of 12 June to assist Lockheed in its final system planning. STAT
2. The bureau technical staff has conducted a survey of potential copiers to replace the faulty Canon copiers recently procured by the bureau. Negotiations with Canon are underway in an attempt to obtain either a refund or new copiers which can stand up to the bureau workload. STAT

### III. ADMINISTRATION

#### Personnel

1. [ ] EOD'd as a tape relay operator on 8 May. STAT
2. Teletype operator [ ] was promoted to FBN-7 effective 22 May. STAT
3. PMU senior media analyst [ ] received a congratulatory message from Acting Director [ ] marking his 30th anniversary with FBIS on 28 May. STAT  
STAT

IV. VISITS

STAT

STAT

STAT

To the bureau: Chief/ESG [ ] 2-3 May for management visit and discussions with the BBC; UD officer [ ] on 10 May for discussions with PMU; Chief, Okinawa Bureau [ ] 16-24 May in preparation for assumption of duties as Chief, London Bureau in September; Deputy Chief, Vienna Bureau [ ] 19-20 May for monitorial candidate interviews and operational discussions; Paraguay Bureau monitor [ ] 16 May for bureau familiarization; AG Mideast Analyst [ ] on 27 May for bureau tour and discussions; and [ ] on 31 May for bureau tour.

STAT

STAT

STAT

STAT

From the bureau: Bureau Chief [ ] to Washington 2-13 May for annual BBC-FBIS Coordination Meeting.

STAT

To Islamabad: [ ], Chief/Okinawa Bureau and London Chief-designate, 25-27 May for talks with unit chief, introductions.
